

Attention all employers!

Consequent upon the implementation of IT rollout in ESIC, the employers are hereby informed that there is no need to submit any physical form of Return of Contribution for the half year ended 30th September 2011. However, they have to submit Returns Online through 'Self Certification' link in the Home Page. Further, employers employing more than 40 employees are required to scan and upload the certificate obtained from a Chartered Accountant, certifying the correctness of payment of monthly contributions, using the same link.
